

News from the Children's Room April 2018

April Make-It and Take-It:

"Make-It and Take-It" is a drop-in craft program for kids 2 and up. Kids can drop in any time between 10:00 and 12:00 on the scheduled Saturday and no sign-up is necessary. The crafts are often messy (we like to use paint, glue, glitter, etc), so you don't want to dress up for this program! Older children may attend independently, but younger children should be accompanied by an adult. Children may leave when their projects are completed so parents are requested to stay in the Children's Room. Please ask us if you have any questions. The dates for the programs are:

April Vacation Programs:

Build -It Workshop: Tuesday, April 24 from 10:00 am-12:00 noon

School age kids between the ages of 5-12 are invited to explore their creativity at our build-it workshop! We will provide Legos, Lincoln Logs, Marble Runs and other building supplies to create temporary structures. Stay for the whole time, or just a little while! We'll take a picture of each child with their creation so they can remember what they built. With parental permission those pictures will be posted on the Children's Room Facebook Page. Parents or caregivers must stay on the Children's Room level while children attend the workshop.

Drop- In & Draw: Wednesday, April 25 from 10:00 am-4:00 pm

School age kids between the ages of 5-12 can stop by and spend some time drawing. We will provide crayons, colored pencils, and some fun items for inspiration! Parents or caregivers must stay on the Children's Room level while children attend the workshop.

Bridles & Bits Club: Thursday, April 26 at 2:00 pm

Calling all horse lovers! On Thursday, April 26th at 2:00 p.m. we will be meeting to make a horse related craft and share our interest with others! This program is open to children age 8 through 12.
